Brotherhood
Incorporated

Annual Report 2018-2019
Our Mission, Vision and Values

GUIDING PRINCIPLES

To provide programs that develop positive results
in a culturally appropriate environment

Education and advocacy on issues affecting the community

Work collaboratively with our community partners to find solutions

BROTHERHOOD, INCORPORATED’S MISSION ...

To develop and implement programs and services that impact the economic, social, and health disparities that exist within underserved and at risk communities through education, enlightenment, and empowerment.

VISION

Brotherhood, Incorporated, as a preeminent organization for HIV/AIDS prevention and education, provides dynamic leadership, training, and HIV prevention services to African American and people of color communities. Our vision is to exist in an environment where we work collaboratively with communities of color, scientific researchers, and community partners to create healthy communities that care.

Letter from the President and Executive Director

Dear Friends and Community Partners,

As the need for quality health care increases, Brotherhood, Inc. will continue to seek innovative services and programs that will enhance access to any type of care for the New Orleans community. With the change in the political landscape and the call for the reduction of funding to the much needed services, Brotherhood, Inc. will continue to explore every available resource.

Brotherhood, Inc. has worked to expand its services with the inclusion of Jansen Pharmaceutical to aid with access to care for our Transgender clients, Louisiana Office of Public Health with expansion of health care services in the community, NYU School of Spatial Epidemiology to assist with a study of AA MSM in the New Orleans EMA and a Compass grant to provide services to the Transgender community.

Though our host of collaborating partners the agency has an ability to access Insurance, housing, medical and support services for the clients that we serve. We continue to develop new programs that will increase the social advocacy for the transgendered and MSM community along with Prep treatment for high risk individuals.

In the upcoming year we look forward to developing more comprehensive programs for women, elderly, mental health and youth. We could not have accomplished our many successes without the assistance of our dedicated staff and community partners. We look forward to the changing environment as it related to providing services to the many persons in need. The 2018-2019 annual report reflects the agency’s many accomplishments and services we provide.

Mark E. Johnson
Executive Director

PROGRAMS & SERVICES

STAFFING
Trinity House HOPWA Funded

Trinity House provides housing and support services to individuals who are HIV positive or infected with AIDS and reside in the New Orleans Eligibility Metropolitan Area (NOEMA) of southeast Louisiana. Offers a safe haven to receive needed services in a health-promoting environment. Trinity House provides the pathway toward independence.

PHASE II HOUSING

This project provides independent living units for low income individuals and persons with disabilities (including HIV and AIDS).

T.R.I.V.E NOLA

This program establishes social advocacy and services for MSM and LGBTQ. HIV Counseling and testing, support services, Clear, along with trainings (3MV, SUSTA)

VIIV Health Care
Transgender Linkage to Care Re-entry Program

Designed to provide CRT, Social Advocacy and Referrals for AAMtFT recently released from prison.

Jansen Pharmaceutical

This program will enhance access to services for the Trans and MSM community members.

Louisiana Office of Public Heath
CDC Funded Project
PS15-1506
PS15-1509

1506 provides expanded health care services and address the STI identified treatment and services needs in the New Orleans and seven parish EMA.
TRIVE NOLA

T.R.I.V.E staff will provide CTR services to AAMSM ages 25 and up, AAHRHMF ages 18 and up, and African American male-to-female Transgender (AAMTFT) 18 and up.

Many Men, Many Voices or 3MV

A CDC Effective Behavioral Intervention for AAMSM ages 25 and up HIV-positive status known or unknown in a group setting

“The Dollhouse”

Safe Space for AAMtFT to obtain a variety of services include confidential HIV counseling, testing and referral services and linkage to care, housing assistance, literacy skills, safer sex workshops, condoms and a place for social gatherings for the AAMtFT community.

Pride-TRIVE
1506-1509

This program provides HIV-STI testing and referrals for treatment along with access to NPEP and PREP services and insurance assistance for those who are not covered.
